The Quirks & Quarks Guide to Space Oct 08 2020 For everyone who's curious about what's new under (and over and around) the stars. Douglas Adams famously pronounced in *The Hitchhiker's Guide to the Galaxy* that the answer to life, the universe, and everything was 42. Quirks & Quarks, whose approach to science owes almost as much to Adams as it does to Newton or Einstein or Hawking, have flipped that notion through a gap in the space-time continuum (or something like that) and come up with answers to the 42 essential questions about space. Much about the universe is very hard for most of us to grasp, and if anyone can explain these mind-bending aspects of the heavens above, it's the Quirks & Quarks producers, who have been bringing Canadians understandable science, with trademark humour, for more than thirty years. In their *Guide to Space*, they answer such pressing questions as Where does space begin? Why is most of the universe missing? Is there intelligent life in the universe? And the real puzzler: What came before the Big Bang? They also answer questions we wish we'd thought to ask, such as Can you surf a gravity wave? and Why is the universe's temperature on my TV? There are answers as well to far more practical questions, like What happens when you fall into a black hole? and How will the universe end? The answers, which have been vetted by a team of astronomers, are witty, authoritative, in-depth, accurate, up-to-date astronomically, and, of course, quirky.

The University and Urban Revival Jan 23 2022 In the last quarter of the twentieth century, urban colleges and universities found themselves enveloped by the poverty, crime, and physical decline that afflicted American cities. Some institutions turned inward, trying to insulate themselves rather than address the problems in their own backyards. Others attempted to develop better community relations, though changes were hard to sustain. Spurred by an unprecedented crime wave in 1996, University of Pennsylvania President Judith Rodin knew that the time for urgent action had arrived, and she set a new course of proactive community engagement for her university. Her dedication to the revitalization of West Philadelphia was guided by her role not only as president but also as a woman and a mother with a deep affection for her hometown. The goal was to build capacity back into a severely distressed inner-city neighborhood—educational capacity, retail capacity, quality-of-life capacity, and especially economic capacity—guided by the belief that "town and gown" could unite as one richly diverse community. Cities rely on their academic institutions as stable places of employment, cultural centers, civic partners, and concentrated populations of consumers for local business and services. And a competitive university demands a vibrant neighborhood to meet the needs of its faculty, staff, and students. In keeping with their mission, urban universities are uniquely positioned to lead their communities in revitalization efforts, yet this effort requires resolute persistence. During Rodin's administration (1994-2004), the *Chronicle of Higher Education* referred to Penn's progress as a "national model of constructive town-gown interaction and partnership." This book narrates the challenges, frustrations, and successes of Penn's campaign, and its prospects for long-term change.

Young Hollywood Jun 27 2022 This splendid new body of work by portrait photographer and stylist Claiborne Swanson Frank comes on the heels of her first Assouline book, *American Beauty*. Swanson Frank has photographed sixty of the hottest up-and-coming women in the entertainment industry today--actresses, directors, stylists, and more, from Isabel Lucas and Elisabeth Moss to Mickey Sumner and Amber Heard--drawing inspiration from old Hollywood. Brimming with gorgeous portraits, alongside short texts in the women's voices, and a foreword by Michael Kors, this volume captures the essence of what it means to be a starlet in modern-day Hollywood.

The Werewolf's Guide to Life May 15 2021 Have you been attacked by a wolf-like creature in the last 30 days? Was it after the sun had set and under a full moon? If you answered, "yes" to both these questions, there's a very good chance that you were bitten by a werewolf. You now have less than a month before the full moon returns and with it your first transformation into a savage, bloodthirsty beast. Survival is an option, but first, know this: * Werewolves are real. * The majority of lycanthropes who do not have access to this book die during or shortly after their first transformations, generally due to heart failure, gunshot wounds, exposure, drowning or suicide. * Hollywood horror movies are NOT to be used as guides to living as a werewolf. Their goal is not to educate, but to entertain. As a result, they are largely ignorant of the realities of the condition. * Ignorance creates monsters; lycanthropy does not. * You are not a monster. *The Werewolf's Guide to Life* cuts through the fiction and guides you through your first transformation and beyond, offering indispensable advice on how to tell if you're really a werewolf, post-attack etiquette, breaking the news to your spouse, avoiding government abduction, and how to not just survive, but thrive. You cannot afford to not read this book. Your very life depends on it.

Vascular Embolotherapy Apr 01 2020 Endovascular embolization therapy has made remarkable progress during the past two decades,

driven primarily by improvements in digital imaging, breakthroughs in microcatheter technology and coil design, and the development of new embolic materials. Initially employed in the management of musculoskeletal trauma, embolization therapy now has a wide range of applications. It permits effective non-operative management of major hepatic, splenic, and renal injuries that once posed a tremendous challenge to the trauma surgeon and has also become an integral facet of the modern oncology center. Further important indications include uterine fibroids, vascular malformations, visceral aneurysms and GI bleeding. This volume and volume 1 present the current state of the art in this exciting and growing field. High informational content is supplemented by detailed graphics, providing a comprehensive reference work for both experts and novices in the field.

Taken by the Duke May 03 2020 The steamy first book in The Pleasure Wars series by USA Today Bestselling Historical Romance Author Jess Michaels Amid all the lies and scandals that fuel Society's gossip mill, one truth has stood out: House Rothcastle and House Windbury have always hated each other. Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly surrenders to his every sexual whim—after haggling over the terms of giving up her virginity. Too late, he realizes she is using her body for peace, not war. But just as their affair of revenge turns into an affair of the heart, the past rears its ugly head to take matters into its own hands... Length: Full Length Novel Heat Level: Naughty, naughty CW: Violent accident (on page), abuse (described) This book is the first book in The Pleasure Wars series.

Warmed and Bound Jun 15 2021 From the heart of The Velvet a writing community built around the fervent love of neo-noir fiction comes an original anthology. Stacked with brilliant emerging writers alongside some of the strongest established voices in contemporary literature, WARMED AND BOUND crosses literary boundaries on all sides, to deliver an altogether unique reading experience. Through seemingly opposed conventions, beautiful prose makes a hard impression on the short story form. From a scary love story to a nostalgic thriller, a hardboiled pursuit of salvation to the black humor that is existentialism, WARMED AND BOUND is rogue humility and lovesick noir, where humanity is a dirty puzzle. It 's Velvet Noir. Welcome. Scent Of Obsession Sep 06 2020 I was the woman who believed in fairy tales; he was the monster of them. The Devil of Ravencliff

Manor. The Phantom. Radcliff. Escorted by a prince, my obsession led me to the villain's lair, with no hope for rescue. Trapped inside his greenhouse, our once upon a time began with a flower. More accurately, with a scent that captivated me. I signed my soul over to the man who represented my sinister nightmares. The one known to belong to the cruel shadows, who offered me my perfumer's dream. He demanded the impossible: the missing piece of his kingdom of sins. I stalked the impossible: his humanity. This is our dark tale. When beauty met ugliness. When light met darkness. When heaven met hell. A tale of obsession.

The Dark Lord Trilogy: Star Wars Legends Mar 13 2021 For the first time in one thrilling volume, three novels—Labyrinth of Evil, Revenge of the Sith, and Dark Lord: The Rise of Darth Vader—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. The Psychobiology of Trauma and Resilience Across the Lifespan Apr 13 2021 "The importance of examining risk/resilience factors in posttraumatic stress disorder (PTSD) across the lifespan has become increasingly obvious: childhood experiences confer risk/resilience for adulthood experiences and biological predictors and correlates of PTSD appear to differ developmentally." "Research into PTSD has typically been conducted with a focus on either child or adult PTSD, with relatively little overlap or discussion between the two camps. The overall focus of this collection is to bring these two groups of researchers together to examine developmental issues and how they impact biological and psychological risk and resilience factors and treatment issues in PTSD and comorbid disorders."--BOOK JACKET.
