The Life and Times of Charlie Chaplin Apr 13 2021

Charlie Chaplin, the universal comic icon, who with his lovable portrayal of a 'tramp' made and still makes the world laugh, continues to live in popular memory. The Hitler's toothbrush moustache, the bowler or derby hat, the coat a size or two too small, the baggy trousers, the floppy shoes and the cane made him the most unforgettable character. The mere mention of his name conjures a picture of him as the tramp. One of the most pivotal stars of the early silent era of Hollywood, Charlie Chaplin's films made everyone laugh and cry at the same time. The world cinema is indebted to him for films like 'The Kid', 'The Gold Rush', 'The Circus,' 'City Light', 'Modern Times' and 'The Great Dictator'. An enigma to the world, people have vast curiosity about his life and his body of work. This book is an attempt to unravel the various aspects of his life and his struggles. The happiness and the despair, the controversies and the acclaim are all revealed in this authentic biography of this great legend.

Life and Times of Stein, Or, Germany and Prussia in the

Napoleonic Age Nov 28 2019

Fire in the Belly May 27 2022 David Wojnarowicz was an abused child, a teen runaway who barely finished high school, but he emerged as one of the most important voices of his generation. He found his tribe in New York's East Village, a neighborhood noted in the 1970s and '80s for drugs, blight, and a burgeoning art scene. His creativity spilled out in paintings, photographs, films, texts, installations, and in his life and its recounting—creating a sort of mythos around himself. His circle of East Village artists moved into the national spotlight just as the AIDS plague began its devastating advance, and as right-wing culture warriors reared their heads. As Wojnarowicz's reputation as an artist grew, so did his reputation as an agitator—because he dealt so openly with his homosexuality, so angrily with his circumstances as a Person With AIDS, and so fiercely with his would-be censors. *Fire in the Belly* is the untold story of a polarizing figure at a pivotal moment in American culture—and one of the most highly acclaimed biographies of the year.

Life and Times of Frederick Douglass Nov 20 2021 'It will be seen in these pages that I have lived several lives in one: first, the life of slavery; secondly, the life of a fugitive from slavery; thirdly, the life of comparative freedom; fourthly, the life of conflict and battle; and, fifthly, the life of victory, if not complete, at least

assured.' First published in 1892, *Life and Times of Frederick Douglass Written By Himself* is the final autobiography written by Frederick Douglass (1818-1895), a man who was born into slavery in Talbot County, Maryland. Securing his self-liberation at twenty years of age in 1838, he went on to become the most renowned antislavery activist, social justice campaigner, author, orator, philosopher, essayist, historian, intellectual, statesman, and liberator in U.S. history. A powerful literary work, Douglass' final autobiography shares the stories of his 'several lives in one.' Beginning with his war against 'the hell-black system of human bondage,' Douglass bears witness to his personal experiences of mind-body-and soul-destroying tragedies. Living a new life as a 'fugitive from slavery,' he tells his audiences of his decades-long labours as a world-leading freedom-fighter. Ever vigilant in his protest against the discriminatory persecutions endured by millions of 'my people,' he testifies to the terrible reality that his 'life of comparative freedom' necessitated a lifelong fight against the inhumane injustices of 'American prejudice against colour.' Living a death-defying 'life of conflict and battle' during the Civil War, Douglass celebrates the 'life of victory' promised by post-war civil rights legislation only to condemn the failures of the U.S. nation either to exterminate slavery or secure equal rights for all. All too painfully aware that the

'conflict between the spirit of liberty and the spirit of slavery' was far from over and would become the unending struggle for 'aftercoming generations' in the ongoing war against white supremacy, Douglass remained a fearless fighter against the 'infernal and barbarous spirit of slavery' 'wherever I find it' to the day that he died. This new edition examines Douglass' memorialization of his own and his mother Harriet Bailey's first-hand experiences of enslavement and of their 'mental' liberation through a 'love of letters'; his representation of Civil War Black combat heroism; his conviction that 'education means emancipation'; and finally, his 'unending battle' with white publishers for the freedom to 'tell my story.' This volume reproduces Frederick Douglass' emotionally powerful and politically hard-hitting anti-lynching speech, *Lessons of the Hour*, published in 1894. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Life and Times of the First Americans Mar 25 2022  
"Describes the life and time of the First Americans"--

Life and Times of Professor Ennui Pidawee Jun 15 2021 A short memoir in three parts. HISTORY is about the author and some characters he has known (a transvestite, an entrepreneur, a rocket scientist, a beatnik, a martial artist, a movie star, and a fool, to name a few). These stories, taking place from 1945 to 1961, are generally true. PRE-HISTORY is about the author's parents and grandparents. Occurring before 1945, these stories are generally not true, or are at least imagined. It is through these tales that the author tries to figure out what made his folks the way they were (and explain how he got to be such a pidawee). DEATH is about the passing of the author's mother in 1955 in Shelby, North Carolina (at the Center of the Known Universe - where all explanations come together). Although not explicitly about the South, it is a Southern Book. It's got crazy white people, Magical Negroes, muscadine grapes, livermush, dynamite, undertones of violence, and guns - lots of guns.

The Life and Times of Charles James Fox Aug 06 2020 Reprint of the original, first published in 1859.

The Life and Times of Stephen Hawkings Mar 13 2021 Stephen Hawking is one of the greatest geniuses of our time. After Albert Einstein; he is one of the most brilliant theoretical physicists in history. Though this great cosmologist is afflicted with ALS (Lou Gehrig's disease); it did not deter him from pursuing Physics. This book is

an unbeatable person's biography in an engaging manner. It sketches a candid portrait of this one of a kind personality giving insight into his personal and professional life. In a simple language; the complex and confuing world of science have been explained that Hawking as a scientist has traversed through his life. Thus it is comprehensible to even a lay person. The book unravels the life of Hawking's from the time he was a college student; to becoming a great cosmologist. An inspiring book which will help the reader know one of the greatest minds of the present age.

Prince: Life and Times Dec 02 2022 "The definitive chronological guide to the life and times of one of popular music's true mavericks ... Prince: Life & times is a large format, lavishly illustrated, authoritative chronicle of his career, covering every album, every movie, and every tour."--Back cover.

My Life and Times as a Postal Worker Mar 01 2020 The book you're about to read is my story working in the post office as a clerk and union officer. Some cases I worked on and my investigations, and how I dealt with management. You will read about how 5 unions merged to form the American Postal Workers Union. The reorganization act and when the United States Postal Service became an independent government agency. You will read about the shootings inside the post offices, and shooting elsewhere. The misappropriation from

management, clerks and union officers. you will read about some of the cases postal inspectors investigated outside the post office. Finally you will a little about the two loves of my life and how I went quietly into retirement.

THE LIFE AND TIMES OF DEXTER May 15 2021 Self-acceptance is a critical element of self-esteem, particularly in today's culture where we are more valued by what we do and what we have as opposed to who we are. So, we chase after some notion of what is going to make us happy with ourselves never finding a truly satisfying answer. *The Life and Times of Dexter: A Tale of Spider Webs and Self-Discovery*, speaks to everyone – children, teens and adults. No matter what stage of life we are in, we need to love and value ourselves just because... and that can only happen if we challenge ourselves to reach our highest potential as human beings. Through his struggles to be more self-accepting, Dexter serves to help readers examine their own self-worth. He travels far and wide to quell his inner dissatisfaction. Along the way he meets other characters who challenge him to take a deeper look inside himself. These relationships teach him humility, trust, perseverance and self-sacrifice. They help him realize that by caring for others, he is able to feel the kind of peace and joy that only true self-acceptance can bring.

The Life and Times of Wendell Phillips Jul 05 2020

Einstein Feb 21 2022 First published in 1972, Ronald W. Clark's definitive biography of Einstein, the Promethean figure of our age, goes behind the phenomenal intellect to reveal the human side of the legendary absent-minded professor. Here is the classic portrait of the scientist and the man: the boy growing up in the Swiss Alps, the young man caught in an unhappy first marriage, the passionate pacifist who agonized over making The Bomb, the indifferent Zionist asked to head the Israeli state, the physicist who believed in God.

"Vivid and readable" -The New York Times

The Life and Times of Sir Thomas Malory Jan 23 2022 This volume constitutes a search for the identity of Malory, author of the Morte Darthur. Field considers all arguments and gives an account of the life of the man identified, setting him in his historical context.

The Life and Times of Niccolo Machiabelli Jan 11 2021  
Archbishop Patrick John Ryan His Life and Times Sep 06 2020 Patrick John Ryan was a Roman Catholic priest, bishop and archbishop in America in very turbulent and challenging times. He experienced the mass influx of European immigrants, anti-foreigner and

anti-Catholic prejudice, the American Civil War and efforts to serve the needs of the African Americans and Native Americans. Ireland prepared him for the life he chose to lead. He encountered religious discrimination and the penal-law mentality and he witnessed the Great Famine. Influenced by the accomplishments of Daniel O'Connell, he began to develop his skills as an orator for which he was to gain a world-wide reputation.

The Life and Times of John Huss; Or, the Bohemian Reformation of the 15th Century May 03 2020

A Memoir of the Life and Times of the Rev. Isaac Backus, A.M. Dec 30 2019

Cosby Sep 18 2021 The first major biography of an American icon, comedian Bill Cosby. Based on extensive research and in-depth interviews with Cosby and more than sixty of his closest friends and associates, it is a frank, fun and fascinating account of his life and historic legacy. Far from the gentle worlds of his routines or TV shows, Cosby grew up in a Philadelphia housing project, the son of an alcoholic, largely absent father and a loving but overworked mother. With novelistic detail, award winning journalist Mark Whitaker tells the story of how, after dropping out of high school, Cosby turned his life around by joining the Navy, talking his way into college, and seizing his first breaks as a stand-up comedian. Published on the 30th anniversary of The Cosby Show, the book reveals

the behind-the-scenes story of that groundbreaking sitcom as well as Cosby's bestselling albums, breakout role on I Spy, and pioneering place in children's TV. But it also deals with professional setbacks and personal dramas, from an affair that sparked public scandal to the murder of his only son, and the private influence of his wife of fifty years, Camille Cosby. Whitaker explores the roots of Cosby's controversial stands on race, as well as "the Cosby effect" that helped pave the way for a black president. For any fan of Bill Cosby's work, and any student of American television, comedy, or social history, *Cosby: His Life and Times* is an essential read.

Richard Wright Apr 25 2022 Skillfully interweaving quotations from Wright's writings, Rowley portrays a man who transcended the times in which he lived and sought to reconcile opposing cultures in his work. In this lively, finely crafted narrative, Wright--passionate, complex, courageous, and flawed--comes vibrantly to life. Two 8-page photo inserts.

*The Life and Times of Martha Laurens Ramsay, 1759-1811* Jun 03 2020 Using Martha Laurens Ramsay's spiritual diary and correspondence, the author presents a look at the world of the daughter of Henry Laurens, president of the Continental Congress, and brother of John Laurens who "achieved legendary status for his military gallantry."--Jacket.

*Life and Times of Scruffy Lomax* Jul 17 2021 Dodging

railroad bulls, hobo camp raid, larger-than-life prospectors in the Alaskan wild, rubbing elbows with a roguish lot of Hollywood celebrities, all experienced by a once-in-a-lifetime character, Scruffy Lomax. So come aboard as we canvass the first half of the twentieth century in a rollicking tale of one man's obsession to live the life he has imagined despite the ruthless indifference of fate.

Life and Times of a Civil Engineer Aug 18 2021  
The Life and Times of Madam Bhikaji Cama Oct 08 2020 Madam Bhikaji Cama; a prominent personality of the Indian Nationalist Movement; was born on 24th September; 1861 in Bombay. She is known for her venture to hoist the Indian flag in a foreign land and announced it as 'A flag of Independence'. She helped revolutionaries in every way whether with money; material or ideas. Madam Cama played a major role

during Bombay Presidency famine and plague in 1896. She selflessly served the people who were affected and in distress. Together with Dadabhai Naoroji and Singh Rewabhai Rana. She was instrumental in establishing 'Indian Home Rule Society' with Shyamji Krishna Verma in February 1905. Madam Cama relocated to Paris in 1905 where she wrote; published and distributed revolutionary literature for the movement. When she attended the Socialist Conference at Stuttgart; she unfurled the first Indian National Flag. Cama remained in exile in Europe till 1935. Seriously ill and paralyzed by a stroke; Madam Cama returned to India and at the age of 74; she breathed her last. A philanthropist; considerate yet determined woman that Bhikaji Cama has been well portrayed in this inspiring biography.

The Life and Times of Mexico Sep 30 2022 A San Francisco Chronicle Best Book of the Year. "A work of scope and profound insight into the divided soul of Mexico." —History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans,

teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico.

Life and times of General Sir Edward Cecil ... Nov 08 2020

Life and Times of Sir Robert Peel Dec 10 2020

The Life and Times of Corn Jan 03 2023 Facts and illustrations tell the story of corn, the giant of grains.

Muhammad Ali Aug 30 2022 An unexpurgated biography of an American legend draws on the words of more than two hundred of the great boxer's associates, opponents, friends, enemies, and Ali himself

The Life and Times of the Thunderbolt Kid Oct 20 2021 From one of the most beloved and bestselling authors in the English language, a vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is "laugh-out-loud funny." Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the

moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people's hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson's first travel book opened with the immortal line, "I come from Des Moines. Somebody had to." In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes – especially to anyone who has ever been young.

The Life and Times of James W. Shirley Sr. You Can Get There from Here Oct 27 2019 In the small town of Harrison City, Pennsylvania, Jim Shirley began his life surrounded by family and community members. It didn't matter that they didn't have electricity, used a galvanized steel washtub for bathing, and had an outhouse for other necessities. A loving and caring mother, older siblings, and a home built of love were the stepping stones to a self made man. As Jim grows older, he learns what he wants to do in life, how to create a

family of his own, and how to draw the most out of what life has to offer a person. After becoming a licensed funeral director in 1959, he was employed in the Pittsburgh area. Later, he purchased a home under unusual circumstances in North Huntingdon Township, Pennsylvania. As a budding funeral director he inadvertently became a community leader in the Lions International organization and, presented his speaking skills, he showed us what it means to bring a new meaning to life and enjoy every moment of it with the same wondrous awe we had as children.

The Life and Times of the Right Honourable Sir James R. G. Graham, Bart., G.C.B., M.P. Sep 26 2019

Wizard: Jun 27 2022 “The story of one of the most prolific, independent, and iconoclastic inventors of this century...fascinating.”—Scientific American Nikola Tesla (1856-1943), credited as the inspiration for radio, robots, and even radar, has been called the patron saint of modern electricity. Based on original material and previously unavailable documents, this acclaimed book is the definitive biography of the man considered by many to be the founding father of modern electrical technology. Among Tesla’s creations were the channeling of alternating current, fluorescent and neon lighting, wireless telegraphy, and the giant turbines that harnessed the power of Niagara Falls. This essential biography is illustrated with sixteen pages of

photographs, including the July 20, 1931, Time magazine cover for an issue celebrating the inventor's career. "A deep and comprehensive biography of a great engineer of early electrical science--likely to become the definitive biography. Highly recommended."--American Association for the Advancement of Science "Seifer's vivid, revelatory, exhaustively researched biography rescues pioneer inventor Nikola Tesla from cult status and restores him to his rightful place as a principal architect of the modern age." --Publishers Weekly Starred Review "[Wizard] brings the many complex facets of [Tesla's] personal and technical life together in to a cohesive whole....I highly recommend this biography of a great technologist." --A.A. Mullin, U.S. Army Space and Strategic Defense Command, COMPUTING REVIEWS "[Along with A Beautiful Mind] one of the five best biographies written on the brilliantly disturbed."--WALL STREET JOURNAL "Wizard is a compelling tale presenting a teeming, vivid world of science, technology, culture and human lives."-

My Life and Times Nov 01 2022 This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens,

and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

The Life and Times of Salvator Ross Feb 09 2021

Gorbachev: His Life and Times Dec 22 2021 A National Book Critics Circle Award Finalist “Essential reading for the twenty-first [century].” —Radhika Jones, The New York Times Book Review In the first comprehensive biography of Mikhail Gorbachev, William Taubman shows how a peasant boy clambered to the top of a system designed to keep people like him down, found common ground with America’s arch-conservative president Ronald Reagan, and permitted the USSR and its East European empire to break apart without using force to preserve them. Drawing on interviews with Gorbachev himself, transcripts and documents from the Russian archives, and interviews with Kremlin aides and adversaries, Taubman’s intensely personal portrait extends to Gorbachev’s remarkable marriage to a woman he deeply loved. Nuanced and poignant, yet unsparing and honest, this sweeping account has all the

amplitude of a great Russian novel.

Life and Times of Michael K Jul 29 2022 From author of Waiting for the Barbarians and Nobel Prize winner J.M. Coetzee. J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. In a South Africa turned by war, Michael K. sets out to take his ailing mother back to her rural home. On the way there she dies, leaving him alone in an anarchic world of brutal roving armies. Imprisoned, Michael is unable to bear confinement and escapes, determined to live with dignity. This life affirming novel goes to the center of human experience—the need for an interior, spiritual life; for some connections to the world in which we live; and for purity of vision.
