Interactions: Pearson New International Edition Apr 02 2020 The most widely-used text on the topic of collaboration, Interactions is a guide for preprofessionals and professionals to help them understand and participate effectively in their interactions with other school professionals and parents, in an increasingly diverse world that is also now routinely electronically and globally connected. Interactions presents theory and conceptual principles heavily seasoned with examples, cases, and applied activities. Written specifically to enable readers to quickly use their skills in professional settings, the book will be a useful tool for pre-service educators and practitioners-whether they are engaged in formal instructional settings, a study group, or independent study. The book recognizes that knowledge about instructional practices that can improve student outcomes are more important than ever before, and educators are scrambling to respond to the federal legislative mandates that require increasingly high standards and a clear trajectory of improving academic performance for all students, including those with disabilities and other special needs.

Fundamentals of Early Childhood Education May 04 2020 A brief, reader-friendly introduction to early childhood education in today's world Fundamentals of Early Childhood Education is appreciated for its practical, applied approach and its engaging chapter features that look at every aspect of the field -- early childhood programs, professionals in practice, diversity, technology issues, and ethical decision making. Young children's distinctive developmental and educational needs are covered from birth through age eight in separate chapters on infants and toddlers, preschoolers, kindergartners, and primary school children. Thoroughly revised and updated throughout, the 9th Edition offers a contemporary, accessible, and user-friendly approach to all of the major topics, programs, and issues at the forefront of early childhood education today. Fundamentals of Early Childhood Education, 9th Edition is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

Foundations of Finance Jun 28 2022 Revised edition of Foundations of finance, 2014.

Marketing Research Mar 14 2021

Biopsychology [RENTAL EDITION] Aug 19 2021

Biology Jan 12 2021 The authors have updated each of the books eight units to reflect the progress in our understanding of life at many levels, from molecules to ecosystems. The sixth edition has a new chapter that introduces students to science as a way of knowing nature. A new feature highlights examples of the process of science throughout the book, and each chapter contains a process of science question that encourages students to experience science. Media activites allow additional practice with experimentation and analysis of data, and interviews with various researchers humanize science as a social activity.

Software Engineering Jun 16 2021 This book discusses a comprehensive spectrum of software engineering techniques and shows how they can be applied in practical software projects. This edition features updated chapters on critical systems, project management and software requirements.

Digital Electronics May 16 2021 Digital Electronics: A Practical Approach with VHDL, Ninth Edition, offers students an easy-to-learn-from resource that emphasizes practical application of circuit design, operation, and troubleshooting. Over 1,000 annotated color figures help explain circuit operation or emphasize critical components and input/output criteria. Throughout the text, the author employs a step-by-step approach that takes students from theory to example to application of the concepts. Over all nine editions, Kleitz has consistently sought out student feedback, along with his own experience of teaching the course in-class and on-line, to improve each new edition.

Human Anatomy Dec 31 2019 Since its first edition Human Anatomy has been praised for its clarity of presentation, outstanding visually oriented illustration program, and ability to help students understand anatomical structures. Past editions of Human Anatomy have won very prestigious awards, including the award for Textbook Excellence by the Text and Academic Authors Association and the award for Illustration Excellence by the Association of Medical Illustrators. The fourth edition continues this tradition of textbook excellence. Innovative pedagogical elements and a tightly integrated supplements package make this new edition an excellent choice for all anatomy courses.

Organic Chemistry Oct 09 2020 For courses in Organic Chemistry (2-Semester) A Student-Centered Approach to Learning and Studying Organic Chemistry Wade & Simek's Ninth edition of Organic Chemistry presents key principles of organic chemistry in the context of fundamental reasoning and problem solving. Authored to complement how students use a textbook today, new Problem Solving Strategies, Partially Solved Problems, Visual Reaction Guides and Reaction Starbursts encourage students to use the text before class as a primary introduction to organic chemistry as well as a comprehensive study tool for working problems and/or preparing for exams. With unparalleled and highly refined pedagogy, this Ninth edition gives students a contemporary overview of organic principles and the tools for organizing and understanding reaction mechanisms and synthetic organic chemistry. Also Available with MasteringChemistry(tm) MasteringChemistry from Pearson is the leading online homework, tutorial, and assessment system, designed to improve results by engaging students before, during, and after class with powerful content. Instructors ensure students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics(tm). Students can further master concepts after class through traditional and adaptive homework assignments that provide hints and answer-specific feedback. The Mastering gradebook records scores for all automatically graded assignments in one place, while diagnostic tools give instructors access to rich data to assess student understanding and misconceptions. Mastering brings learning full circle by continuously adapting to each student and making learning more personal than ever--before, during, and after class. Note: You are purchasing a standalone product; MasteringChemistry does not come packaged with this content. Business Law Nov 09 2020 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.

Starting Out with C++ from Control Structures to Objects Sep 19 2021 For two-semester courses in the C++ programming sequence, or an accelerated one-semester course. A clear and student-friendly way to teach the fundamentals of C++ Starting Out with C++: From Control Structures through Objects covers control structures, functions, arrays, and pointers before objects and classes in Tony Gaddis's hallmark accessible, step-by-step presentation. His books help beginning students understand the important details necessary to become skilled programmers at an introductory level. Gaddis motivates the study of both programming skills and the C++ programming language by presenting all the details needed to understand the "how" and the "why"-but never losing sight of the fact that most beginners struggle with this material. His approach is gradual and highly accessible, ensuring that students understand the logic behind developing high-quality programs. As with all Gaddis texts, clear and easy-to-read code listings, concise and practical real-world examples, and an abundance of exercises appear in every chapter. Updates to the 9th Edition include revised, improved problems throughout and a new chapter featuring completely rewritten and expanded material on the Standard Template Library (STL). Also Available with MyLab Programming. MyLab(tm) Programming is an online learning system designed to engage students and improve results. MyLab Programming consists of programming exercises correlated to the concepts and objectives in this book. Through practice exercises and immediate, personalized feedback, MyLab Programming improves the programming competence of beginning students who often struggle with the basic concepts of programming languages. Note: You are purchasing a standalone product; MyLab(tm) & Mastering(tm) does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Mastering Public Speaking, Books a la Carte Edition Oct 21 2021

Exploring Reserach Dec 03 2022 For courses in Experimental Methods and in Research Methods in Political Science and Sociology An informative and unintimidating look at the basics of research in the social and behavioral sciences Exploring Research makes research methods accessible for students - describing how to collect and analyze data, and providing thorough instruction on how to prepare and write a research proposal and manuscript. Author Neil Salkind covers the research process, problem selection, sampling and generalizability, and the measurement process. He also incorporates the most common types of research models used in the social and behavioral sciences, including qualitative methods. The Ninth Edition explores the use of electronic sources (the Internet) as a means to enhance research skills, includes discussions about scientific methods, and places a strong emphasis on ethics. NOTE: This ISBN is for a Pearson Books a la Carte edition: a convenient, three-hole-punched, loose-leaf text. In addition to the flexibility offered by this format, Books a la Carte editions offer students great value, as they cost significantly less than a bound textbook.

Human Anatomy Feb 10 2021 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Celebrated for its atlas-style format, appropriately detailed anatomical illustrations, and exceptionally clear photographs of tissues and cadavers, the Seventh Edition of the award-winning Human Anatomy presents practical applications of anatomy and physiology in a highly visual format. Select Clinical Notes feature dynamic layouts that integrate text with visuals for easy reading. Clinical Cases relate clinical stories that integrate text with patient photos and diagnostic images for applied learning. Time-saving study tools, including end-of-chapter practice and review, help students arrive at a complete understanding of human anatomy. This is the standalone book. Supervision Today! Jun 04 2020 Appropriate for Supervision, Supervision Management, and Intro to Management. Supervision Today has earned a reputation of being the one of the most effective supervision books because it blends traditional and contemporary topics, as well as theories and experiential skills. Offering a three-tier learning system, it focuses on building readers' knowledge, improving their comprehension and applying concepts directly to skill development. Known for its lively tone and four-color design, it captures the latest in supervision literature and includes cases to invigorate any lecture. This edition includes new information on contingent workforces, entrepreneurship, employee theft, work/life balance, IM, texting, and workplace diversity.

Essentials of Entrepreneurship and Small Business Management Jan 24 2022 For courses in small business management, entrepreneurship, and new venture creation and/or management. The foundation to building a successful small business Taking a practical, hands-on approach to entrepreneurship, this text equips students with the tools and critical-thinking skills needed for small business success. Now in its 9th Edition, Essentials of Entrepreneurship and Small Business Management teaches students how to successfully launch and manage a business. By dissecting case studies, examining successes and failures in the context of the market, and observing the tactics used by today's most successful small business ventures, students can develop the skills that will give them a unique advantage in a hotly competitive environment. Also available with MyLab Entrepreneurship By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Note: You are purchasing a standalone product; MyLab Entrepreneurship does not come packaged with this content. Students, if interested in purchasing this title with MyLab, ask your instructor to confirm the correct package ISBN and Course ID. Essentials of Children's Literature Jul 06 2020 This brief, affordable, straightforward book-packed with rich resources-is a true compendium of information about children's literature and how to use children's literature in the classroom. It is designed to awaken, reawaken, and motivate students to share literature with children. In clear, concise, direct narrative using recommended book lists, examples, figures, and tables in combination with prose, this book conveys the body of knowledge about children's literature and about teaching literature to children. The Seventh Edition of this best-selling book adds a new co-author, Kathy G. Short, to the well-known author team of Carol Lynch-Brown and Carl M. Tomlinson.

Foundations of Earth Science Oct 28 2019 This brief, paperback version of the best-selling Earth Science by Lutgens and Tarbuck is designed for introductory courses in Earth science. The text's highly visual, non-technical survey emphasizes broad, up-to-date coverage of basic topics and principles in geology, oceanography, meteorology, and astronomy. A flexible design lends itself to the diversity of Earth science courses in both content and approach. As in previous editions, the main focus is to foster student understanding of basic Earth science principles. Used by over 1.5 million science students, the Mastering platform is the most

effective and widely used online tutorial, homework, and assessment system for the sciences. This is the product access code card for MasteringX and does not include the actual bound book. Package contains:

MasteringGeology standalone access card

Astronomy Today Nov 29 2019 With *Astronomy Today*, Seventh Edition, trusted authors Eric Chaisson and Steve McMillan communicate their excitement about astronomy and awaken you to the universe around you. The text emphasizes critical thinking and visualization, and it focuses on the process of scientific discovery, making "how we know what we know" an integral part of the text. The revised edition has been thoroughly updated with the latest astronomical discoveries and theories, and it has been streamlined to keep you focused on the essentials and to develop an understanding of the "big picture." Alternate Versions *Astronomy Today*, Volume 1: The Solar System, Seventh Edition—Focuses primarily on planetary coverage for a 1-term course. Includes Chapters 1-16, 28. *Astronomy Today*, Volume 2: Stars and Galaxies, Seventh Edition—Focuses primarily on stars and stellar evolution for a 1-term course. Includes Chapters 1-5 and 16-28.

International Economics Jan 04 2023 A new edition of a standard textbook intended for students at the undergraduate or higher level with minimal prior coursework in economics. Solidly covers current developments in international economics and minimizes mathematics. Annotation copyright by Book News, Inc., Portland, OR

Foundations of Finance Jul 18 2021 Motivate your students to study finance by focusing on its five underlying principles. *Foundations of Finance* enables students to see the big picture by helping them understand the logic that drives finance rather than having them memorize formulas. The seventh edition now includes *Cautionary Tales*, a reordered presentation, and integration with Pearson's revolutionary online software, MyFinanceLab.

Human Anatomy Feb 22 2022 For one-semester courses in human anatomy. A functional approach to human anatomy, available in a multifunctional eText *Human Anatomy*, the #1 best-selling textbook for the human anatomy course, is widely regarded as the most readable and visually accessible book on the market. Using a functional anatomy theme, the text presents human anatomy as a well-illustrated "story" with the right amount of detail that learners can understand at an introductory level. Analogies and comparative descriptions make anatomical structures more memorable and understandable, and explain how the shape and composition of structures allow them to perform their functions. The 9th Edition features new exercises and questions that help students learn and use anatomical language and interpret real-world medical images while learning basic human anatomy. Building on the functional anatomy approach of previous editions, selected illustrated tables have been enhanced to tell a more cohesive and logical "story" of human anatomy. In the eText edition, dozens of embedded videos and animations help students visualize, manage, and master anatomical terms and structures, along with instant cross-referencing that eliminates the need to flip pages to connect concepts across body systems. Also available as a Pearson eText or packaged with Mastering A&P: Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. If your instructor has assigned Pearson eText as your main course material, search for: 0135273013 / 9780135273012 Pearson eText *Human Anatomy* -- Access Card, 8/e OR 0135273005 / 9780135273005 Pearson eText *Human Anatomy* -- Instant Access, 8/e Also available with Mastering A&P By combining trusted author content with digital tools and a flexible platform, Mastering personalizes the learning experience and improves results for each student. Built for, and directly tied to the text, Mastering A&P enables an extension of learning, allowing students a platform to practice, learn, and apply outside of the classroom. If you would like to purchase both the physical text and Mastering A&P search for: 0135205026 / 9780135205020 *Human Anatomy Plus Mastering A&P with Pearson eText* -- Access Card Package Package consists of: 0135168058 / 9780135168059 *Human Anatomy* 0135202086 / 9780135202081 *Mastering A&P with Pearson eText* -- ValuePack Access Card -- for *Human Anatomy* Note: You are purchasing a standalone book; Pearson eText and Mastering A&P do not come packaged with this content. Students, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

Discovering the Lifespan Jan 30 2020 NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. *Discovering the Lifespan* provides a broad overview of the field of human development and features a strong balance of research and application. In a unique departure from traditional lifespan development texts, each chapter is divided into three modules, and in turn, each module is divided into several smaller sections. Consequently, students encounter material in smaller, more manageable chunks that optimize learning.

Business in Action Jul 30 2022 "Business in Action, 3/E " is an introduction to business that provides readers with a wealth of the most current information available, allowing them to experience firsthand a variety of highly involving information that no other book on the market can match. Numerous cases and examples simplify the material, encourage active reading, and provide a life-long useful reference source. Topics include: the global economy, starting and organizing a small business, management issues, human resources and employee relations, marketing strategies, and financial information and resources. An excellent resource for managers, corporate trainers, and those interesting in owning and operating small to medium businesses; this book is also a must-read for people just entering the corporate job market.

Campbell Biology, AP* Edition - With CD Aug 31 2022

Guidance of Young Children Mar 02 2020 Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0133830985. Essentials of Genetics, Global Edition Sep 07 2020 For all introductory genetics courses A forward-looking exploration of essential genetics topics Known for its focus on conceptual understanding, problem solving, and practical applications, this bestseller strengthens problem-solving skills and explores the essential genetics topics that today's students need to understand. The 9th Edition maintains the text's brief, less-detailed coverage of core concepts and has been extensively updated with relevant, cutting-edge coverage of emerging topics in genetics. The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this eBook. Time limit The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed.

Microeconomics Apr 14 2021 Revised edition of the authors' Microeconomics, c2013.

International Business Dec 11 2020 Revised edition of the authors' International business, 2016.

Human Anatomy Apr 26 2022 The #1 best-selling book for the human anatomy course, Human Anatomy, Seventh Edition is widely regarded as the most readable and visually accessible book on the market. The new edition builds on the book's hallmark strengths--art that teaches better, a reader-friendly narrative, and easy-to-use media and assessment tools--and improves on them with new and updated Focus Figures and new in-text media references. This edition also features vivid new clinical photos that reinforce real-world applications, and new cadaver photos and micrographs that appear side-by-side with art--all to increase students' ability to more accurately visualize key anatomical structures.

Essentials of Human Communication Nov 21 2021 A brief text with a strong focus on skill development Essentials of Human Communication shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural awareness, listening, critical thinking, ethics, and social media communication. MyCommunicationLab is an integral part of the DeVito program. Key learning applications include MediaShare, an eText, and a study plan. A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning-- MyCommunicationLab is online learning. MyCommunicationLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking-- Critical thinking principles are integrated into the text and in the marginal questions, self-tests, and boxes. Engage Students--Real-world examples appear throughout the text. Apply Ethics--Real-life ethical issues are discussed. Support Instructors-- A full set of supplements, including MyCommunicationLab, provides instructors with all the resources and support they need. Note: MyCommunicationLab does not come automatically packaged with this text. To purchase MyCommunicationLab, please visit: www.mycommunicationlab.com or you can purchase a ValuePack of the text + MyCommunicationLab (at no additional cost): ValuePack ISBN-10: 0205940889 / ValuePack ISBN-13: 9780205940882.

Language Development: An Introduction, Global Edition May 28 2022 The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this eBook. Time limit The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed. For college students in courses with the same topic in communication disorders, psychology, and education. A best-selling, comprehensive, easy-to-understand introduction to language development. This best-selling introduction to language development text offers a cohesive, easy-to-understand overview of all aspects of the subject, from syntax, morphology, and semantics, to phonology and pragmatics. Each idea and concept is explained in a way that is clear to even beginning students and then reinforced with outstanding pedagogical aids such as discussion questions, chapter objectives, reflections, and main point boxed features. The book looks at how children learn to communicate in general and in English specifically, while emphasizing individual patterns of communication development. The 9th Edition continues the distribution of bilingual and dialectal development throughout the text; expands the discussion of children from lower-SES families, including those living in homeless shelters; makes substantial improvements in the organisation and clarity of Chapter 4 on cognition and its relationship to speech and language; consolidates information on Theory of Mind in one chapter; improves readability throughout with more thorough explanations, simplification of terms, and increased use of headings and bullets; weeds out redundancies and asides to help streamline the reading; provides more child language examples throughout; and thoroughly updates the research, including the addition of several hundred new references.

Fundamentals of Management Aug 26 2019 For Principles of Management courses. The practical tools of management presented through in-depth practice Fundamentals of Management is a brief, paperback text that gives students more depth and breadth with practical tools to practice their management skills than any other textbook. The Ninth Edition introduces a new and exciting design and includes new chapter openers, case applications, and exercises. MyManagementLab for Fundamentals of Management is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams--resulting in better performance in the course--and provides educators a dynamic set of tools for gauging individual and class progress. This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning with MyManagementLab: Inspire the exchange of new ideas and foster intriguing discussions with the abundant resources found in MyManagementLab. Encourage Students to Apply Concepts: Throughout the text, the authors provide examples of how concepts work, while providing an opportunity to practice and review material. Stay on the Cutting-Edge of Management Practice: There are always new issues and ideas confronting managers, which is why this edition now includes new and updated exercises, modules, and boxes. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. If you would like to purchase both the physical text and MyLab search for ISBN-10: 0133773213/ISBN-13: 9780133773217. That package includes ISBN-10: 013349991X/ISBN-13: 9780133499919 and ISBN-10: 0133506835/ISBN-13: 9780133506839. MyLab is not a self-paced technology and should only be purchased when required by an instructor.

Organic Chemistry Sep 27 2019 Acclaimed for its clarity and precision, Wade's Organic Chemistry maintains scientific rigor while engaging students at all levels. Wade presents a logical, systematic approach to understanding the principles of organic reactivity and the mechanisms of organic reactions. This approach helps students develop the problem-solving strategies and the scientific intuition they will apply throughout the

course and in their future scientific work. The Eighth Edition provides enhanced and proven features in every chapter, including new Chapter Goals, Essential Problem-Solving Skills and Hints that encourage both majors and non-majors to think critically and avoid taking "short cuts" to solve problems. Mechanism Boxes and Key Mechanism Boxes strengthen student understanding of Organic Chemistry as a whole while contemporary applications reinforce the relevance of this science to the real world. NOTE: This is the standalone book Organic Chemistry, 8/e if you want the book/access card order the ISBN below: 0321768140 / 9780321768148 Organic Chemistry Plus MasteringChemistry with eText -- Access Card Package Package consists of: 0321768418 / 9780321768414 Organic Chemistry 0321773799 / 9780321773791 MasteringChemistry with Pearson eText -- Valuepack Access Card -- for Organic Chemistry

Quality Improvement Aug 07 2020 Formerly titled Quality Control, the field's most accessible introduction to quality has been renamed and revamped to focus on quantitative aspects of quality improvement. New chapters on Lean Enterprise, Six Sigma, Experimental Design, and Taguchi's Quality Engineering have been added, and this new Ninth Edition adds comprehensive coverage of fundamental statistical quality improvement concepts. A practical state-of-the-art approach is stressed throughout, and sufficient theory is presented to ensure that students develop a solid understanding of basic quality principles. To improve accessibility, probability and statistical techniques are presented through simpler math or developed via tables and charts. As with previous editions, this text is written to serve a widely diverse audience of students, including the growing number of "math shy" individuals who must play key roles in quality improvement.

Global Marketing Oct 01 2022 Revised edition of the authors' Global marketing, 2015.

Marketing Nov 02 2022 For undergraduate Principles of Marketing courses. Real people making real choices Marketing: Real People, Real Choices is the only text to introduce marketing from the perspective of real people, who make real marketing decisions, at leading companies everyday. Timely, relevant, and dynamic, this reader-friendly text shows readers how marketing concepts are implemented, and what they really mean in the marketplace. The 9th Edition presents more information than ever on the core issues every marketer needs to know, including value, analytics and metrics, and ethical and sustainable marketing. And with new examples and assessments, the text helps readers actively learn and retain chapter content, so they know what's happening in the world of marketing today. Also available with MyLab Marketing MyLab(tm) Marketing is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. Students, if interested in purchasing this title with MyLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab, search for: 013463960X / 9780134639604 Marketing: Real People, Real Choices Plus MyLab Marketing with Pearson eText -- Access Card Package Package consists of: 0134292669 / 9780134292663 Marketing: Real People, Real Choices 0134293185 / 9780134293189 MyLab Marketing with Pearson eText -- Access Card -- for Marketing: Real People, Real Choices
