The Sixth Edition of BASIC AUTOMOTIVE SERVICE & SYSTEMS includes a Classroom Manual and a Shop Manual to provide a comprehensive, accessible overview of automotive systems to prepare readers for all aspects of work in the field. Updated to align with Task Lists for the latest ASE Education Foundation requirements, the Sixth Edition covers emerging technologies such as hybrid vehicles and electronic engine controls, as well as current information on the global automotive industry and the role of the technician within it. The Classroom Manual explores the theories of operation behind each automotive system, while the Shop Manual covers relevant diagnostic, testing, and repair procedures. Assuming no prior knowledge of automotive technology, these clear and engaging resources combine to provide a thorough introduction to both fundamental theory and its real-world applications in specific skills and maintenance procedures. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Automotive Drivetrain and Manual Transmissions equips students for diagnosing, servicing, and repairing modern drivetrain systems and components. Utilizing a "strategy-based diagnostics" approach, this text helps students master the process of technical troubleshooting to successfully resolve the problem on the first attempt. Bentley Publishers is the exclusive factory-authorized publisher of Volkswagen Service Manuals in the United States and Canada. In every manual we provide full factory repair procedures, specifications, tolerances, electrical wiring diagrams, and lubrication and maintenance information. Bentley manuals are the only complete, authoritative source of Volkswagen maintenance and repair information. Even if you never intend to service your car yourself, you'll find that owning a Bentley Manual will help you to discuss repairs more intelligently with your service technician. The Volkswagen Rabbit, GTI Service Manual: 2006-2009 is a comprehensive source of service information and specifications for Rabbit and GTI models built on the A5 platform from 2006 to 2009.
