Intimations May 03 2020 "[Smith's] slim collection of essays captures this peculiar moment with startling clarity. . . . The personal and political intermingle for a powerful indictment of America's social systems." —TIME, The 100 Must-Read Books of 2020 "While quarantined amid the Covid-19 pandemic, Smith penned six dazzling, trenchant essays burrowing deep into our contemporary culture of disease and upheaval and reflecting on what was 'once necessary' that now 'appears inessential . . .'" —O, The Oprah Magazine, Best Books of 2020 "Smith does more than illuminate what we're going through right now. She offers a model of how to think ourselves through a fraught historical moment without getting hysterical or sanctimonious, without losing our compassion or our appreciation for what's good in other people. She teaches us how to be better at being human." —John Powers, Fresh Air Deeply personal and powerfully moving, a short and timely series of reflective essays by one of the most clear-sighted and essential writers of our time. Written during the early months of lockdown, *Intimations* explores ideas and questions prompted by an unprecedented situation. What does it mean to submit to a new reality--or to resist it? How do we compare relative sufferings? What is the relationship between time and work? In our isolation, what do other people mean to us? How do we think about them? What is the ratio of contempt to compassion in a crisis? When an unfamiliar world arrives, what does it reveal about the world that came before it? Suffused with a profound intimacy and tenderness in response to these extraordinary times, *Intimations* is a slim, suggestive volume with a wide scope, in which Zadie Smith clears a generous space for thought, open enough for each reader to reflect on what has happened--and

what should come next. The author will donate her royalties from the sale of *Intimations* to charity.

The Kitchen Boy May 27 2022 Soon to be a major motion picture starring Kristin Scott Thomas (The English Patient), directed by Stefan Ruzowitzky (The Counterfeiters) Drawing from decades of work, travel, and research in Russia, Robert Alexander re-creates the tragic, perennially fascinating story of the final days of Nicholas and Alexandra Romanov as seen through the eyes of their young kitchen boy, Leonka. Now an ancient Russian immigrant, Leonka claims to be the last living witness to the Romanovs' brutal murders and sets down the dark secrets of his past with the imperial family. Does he hold the key to the many questions surrounding the family's murder? Historically vivid and compelling, The Kitchen Boy is also a touching portrait of a loving family that was in many ways similar, yet so different, from any other. "Ingenious...Keeps readers guessing through the final pages." —USA Today

The Road Oct 27 2019 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but

in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Tell Me How It Ends Dec 02 2022 "Part treatise, part memoir, part call to action, *Tell Me How It Ends* inspires not through a stiff stance of authority, but with the curiosity and humility Luiselli has long since established." —Annalia Luna, Brazos Bookstore "Valeria Luiselli's extended essay on her volunteer work translating for child immigrants confronts with compassion and honesty the problem of the North American refugee crisis. It's a rare thing: a book everyone should read." —Stephen Sparks, Point Reyes Books "Tell Me How It Ends evokes empathy as it educates. It is a vital contribution to the body of post-Trump work being published in early 2017." —Katharine Solheim, Unabridged Books "While this essay is brilliant for exactly what it depicts, it helps open larger questions, which we're ever more on the precipice of now, of where all of this will go, how all of this might end. Is this a story, or is this beyond a story? Valeria Luiselli is one of those brave and eloquent enough to help us see." —Rick Simonson, Elliott Bay Book Company "Appealing to the language of the United States' fraught immigration policy, Luiselli exposes the cracks in this foundation. Herself an immigrant, she highlights the human cost of its brokenness, as well as the hope that it (rather than walls) might be rebuilt." —Brad Johnson, Diesel Bookstore "The bureaucratic labyrinth of immigration, the dangers of searching for a better life, all of this and more is contained in this brief and profound work. *Tell Me How It Ends* is not just relevant, it's

essential." –Mark Haber, Brazos Bookstore "Humane yet often horrifying, Tell Me How It Ends offers a compelling, intimate look at a continuing crisis—and its ongoing cost in an age of increasing urgency." –Jeremy Garber, Powell's Books

This unique writing guide pairs questions sent in by top

contemporary essayists with hilariously witty answers and essays from acclaimed author Dinty W. Moore. How to Read Like a Writer Jul 29 2022 When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way

this text is written that makes you feel and respond the way you do?

In Cold Blood Sep 18 2021 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" The Mother of All Questions Jan 11 2021 A collection of feminist essays steeped in "Solnit's unapologetically observant and truth-speaking voice on toxic, violent

masculinity" (The Los Angeles Review). In a timely and incisive follow-up to her national bestseller *Men Explain Things to Me*, Rebecca Solnit offers sharp commentary on women who refuse to be silenced, misogynistic violence, the fragile masculinity of the literary canon, the gender binary, the recent history of rape jokes, and much more. In characteristic style, "Solnit draw[s] anecdotes of female indignity or male aggression from history, social media, literature, popular culture, and the news . . . The main essay in the book is about the various ways that women are silenced, and Solnit focuses upon the power of storytelling—the way that who gets to speak, and about what, shapes how a society understands itself and what it expects from its members. *The Mother of All Questions* poses the thesis that telling women's stories to the world will change the way that the world treats women, and it sets out to tell as many of those stories as possible" (The New Yorker). "There's a new feminist revolution—open to people of all genders—brewing right now and Rebecca Solnit is one of its most powerful, not to mention beguiling, voices."—Barbara Ehrenreich, *New York Times*—bestselling author of *Natural Causes* "Short, incisive essays that pack a powerful punch." —Publishers Weekly "A keen and timely commentary on gender and feminism. Solnit's voice is calm, clear, and unapologetic; each essay balances a warm wit with confident, thoughtful analysis, resulting in a collection that is as enjoyable and accessible as it is incisive." —Booklist

Brown Girl Dreaming Aug 18 2021 Jacqueline Woodson's

National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick *Raised in South Carolina and New York*, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

Against Joie de Vivre Dec 22 2021 ?Over the years I have developed a distaste for the spectacle of joie de vivre, the knack of knowing how to live,? begins the title essay by Phillip Lopate. This rejoinder to the cult of hedonism and forced conviviality moves from a critique of the false sentimentalization of children and the elderly to a sardonic look at the social rite of the dinner party, on to a moving personal testament to the ?hungry soul.? ø Lopate?s special gift is his ability to give us not only sophisticated cultural commentary in a dazzling collection of essays but also to bring to his subjects an engaging honesty and openness that invite us to experience the world along with him. Also included here are Lopate?s inspiring account of his production of Chekhov?s Uncle Vanya with a group of preadolescents, a look at the tradition of the personal essay, and a soul-searching piece on the suicide of a schoolteacher and its effect on his students and fellow teachers. ø By turns humorous, learned, celebratory, and elegiac, Lopate displays a keen intelligence and a flair for language that turn bits of common, everyday life into resonant narrative. This collection maintains a conversational charm while taking the contemporary personal essay to a new level of complexity and candor.

Bad Boy Apr 25 2022 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading--an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers

was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.
