*The Killers* Dec 29 2022 The untold story of America's hottest rock band.

*The Killers* May 10 2021 *The Killers* is a tale of gang violence, revenge, kidnapping, racial and ethnic conflict, international intrigue, and working-class triumph. Based on the real-life events of a Philadelphia race riot, this long-out-of-print sensational novella showcases the political and literary interests of its author, bestselling novelist George Lippard.

*Summary: Killing the Killers by Bill O'Reilly and Martin Dugard* Feb 07 2021 This summary book is meant to complement the original. It is not intended to replace the book by Bill O'Reilly and Martin Dugard, #1 bestselling authors. Readers soon find themselves injected into the worldwide war on terror, which started more than two decades ago on September 11, 2001. America went into battle mode as the World Trade Center towers crumbled, the Pentagon burned, and a tiny number of passengers fought frantically to prevent a third jet from carrying out its murderous flight plan. *Killing The Killers* tells the story of America's long struggle against radicals who plotted and carried out not just the 9/11 atrocities but hundreds of others throughout the globe, finally destroying whole countries in their pursuit for power. *Killing The Killers* follows the United States' fight against Al Qaeda, ISIS, and the Iranian Revolutionary Guard in Afghanistan, Iraq, Yemen, Syria, Libya, and elsewhere, as well as specific targets of these organizations' most renowned commanders. O'Reilly and Dugard provide an irresistible narrative of our era's most crucial battle with new detail and well-sourced material.

[Veils](#) Nov 04 2020 "Give me a memory, Noah." That's what she said ... the woman who rendered me stupid in the shadows at a wedding reception. I did everything I could to figure her out. She wore more veils of armor than I've seen in a lifetime. On the outside, she was strong and self-assured. But within those beautiful, guarded blues? She was laced with vulnerability and grief. We had one night. The best night. She got the memory she wanted, but in the process, I was left branded. Then she thought she could strut out my front door and my life, right after announcing she was my boss's baby sister. I had no choice but to follow. Not only did I go after her, I chased her halfway around the world. Because when it comes to her, one memory isn't enough. It doesn't matter that there couldn't be a more opposite pair than

us. Gracie Cain is a healer. I'm Noah Jarvis, a cold-hearted killer. But when my job came back to bite me in the ass, I wasn't the only one caught in the crossfire. It bought us memories no one was counting on. That's when all the veils were ripped off.

**Quest for the Killers** Aug 25 2022 The story of the doctors and scientists who attempt to conquer world-wide disease follows them across the face of the earth, from New Guinea to the United States, and documents their triumphs and tragedies

Immortal Song, Karn & The Killers Oct 03 2020

Machete Season Apr 09 2021 A veteran foreign correspondent shares a collection of interviews with ten Hutu men--all tried, convicted and sentenced for the genocidal killings of their Tutsi neighbors--as they describe their participation in the heinous crimes and their reasons for the murders, in a study that considers the roots of human morality and ethics. 15,000 first printing.

**The Killers: Days & Ages** Nov 28 2022 The ultimate story of The Killers' rise from Las Vegas croupiers to million selling global superstars headlining festivals throughout the world. Featuring interview transcripts with the band as well as new interviews with them and those around them right up to their new album Battle Born.

**The Killers** Aug 13 2021 PHILADELPHIA, the 1840s: a corrupt banker disowns his dissolute son, who then reappears as a hardened smuggler in the contraband slave trade. Another son, hidden from his father since birth and condemned as a former felon, falls in with a ferocious street gang led by his elder brother and his revenge-hungry comrade from Cuba. His adopted sister, a beautiful actress, is kidnapped, and her remorseful black captor becomes her savior as his tavern is engulfed in flames. Vendetta, gang violence, racial tensions, and international intrigue collide in an explosive novella based on the events leading up to an infamous 1849 Philadelphia race riot. The Killers takes the reader on a fast-paced journey from the hallowed halls of academia at Yale College to the dismal solitary cells of Eastern State Penitentiary and through southwest Philadelphia's community of free African Americans. Though the book's violence was ignited by the particulars of Philadelphia life and politics, the flames were fanned by nationwide anxieties about race, labor, immigration, and sexuality that emerged in the young republic. Penned by fiery novelist, labor activist, and reformer George Lippard (1822-1854) and first serialized in 1849, The Killers was the work of a wildly popular writer who outsold Edgar Allan Poe and Nathaniel Hawthorne in his lifetime. Long out of print, the novella now appears in an edition supplemented with a brief biography of the author, an untangling of the book's complex textual history, and excerpts from related contemporaneous publications. Editors Matt Cohen and Edlie L. Wong set the scene of an antebellum Philadelphia rife with racial and class divisions, implicated in the international slave trade, and immersed in Cuban annexation schemes to frame this compact and compelling tale. Serving up in a short form the same heady mix of sensational narrative, local color, and impassioned politics found in Lippard's sprawling The Quaker City, or The Monks of Monks Hall, The Killers is here brought back to lurid life.

**The Killers and Crippleers** Feb 25 2020

**Killers Day and Age (PVG)** Jan 18 2022 Day & Age, the third studio album

from The Killers, has been described by the Las Vegas quartet themselves as 'the most playful record' they've made. This collection of the critically acclaimed Day And Age includes every song from the album, arranged for Piano, Vocal and Guitar. The album was immediately hailed by critics and the general pop-loving public as a triumph for The Killers, continuing their established style of electro-pop mixed with the arena rock sensibilities of a band like U2. The album featured the smash singles Spaceman and Human, both of which have been cited by the band and their fans as two of their best songs.

*In the Company of Killers* Oct 23 2019 "Immensely talented... Christy's muscular, vivid writing and John le Carré-esque talent for thrusting us deep into unfamiliar territory ensure that what could lapse into cliché instead sounds fresh and exciting... Klay is a great, flawed hero, in the vein of the classic hard-drinking, hard-living, hard-loving loner."--New York Times Book Review In this intricate and propulsive thriller--from National Geographic's founder of Special Investigations--Tom Klay an investigative reporter leading a double life as a CIA spy, discovers that he has been weaponized in a global game of espionage pitting him against one of the world's most ruthless men. Tom Klay is a celebrated investigative wildlife reporter for the esteemed magazine The Sovereign. But Klay is not just a journalist. His reporting is cover for an even more dangerous job: CIA agent. Klay's press credentials make him a perfect spy--able to travel the globe, engage both politicians and warlords, and openly record what he sees. When he needs help, the Agency provides it to him, and asks little in return. But while on assignment in Kenya, Klay is attacked and his closest friend is murdered. Soon Klay's carefully constructed double life unravels as his ambition turns to revenge. The CIA has an answer. Klay is offered a devil's bargain to capture the man who killed his friend by infiltrating the offices of the woman he once loved, South Africa's special prosecutor, Hungry Khoza. But Klay soon discovers that he and Hungry are part of a larger, more lethal game--one that involves a ruthless mercenary and a global superpower. The deeper he digs, the more Klay realizes that everything he thought he knew about his work may have been a lie, and his sworn enemy may be his only ally. In this riveting, timely thriller, the lines between good and evil blur, and absolutely nothing is as it seems.

**The Killers** Sep 21 2019 The Killers are a very British band. Their rise to fame has been meteoric, inspired, and eventful. Their album, "Hot Fuss" has made it into the Top 5 Selling Albums of 2004. This book charts that rise to fame, interviewing key players along the way, as well as placing the band in the context of the predominantly British legacy.

*The Killers* Sep 02 2020 Alan Cross is the preeminent chronicler of popular music. Here he provides a history of Las Vegas rock band The Killers. This look at "one of the biggest new bands of the new century" is adapted from the audiobook.

**The Killers and Other Short Stories** Feb 19 2022

A Killer's Wife Mar 28 2020 Fourteen years ago, prosecutor Jessica Yardley's husband went to prison for a series of brutal murders. She's finally created a life with her daughter and is a well-respected attorney. She's moving on. But when a new rash of homicides has her ex-husband, Eddie, written all over them -- the nightmares of her past come back to life.

Killers Within Nov 23 2019 In June 1999, a 33-year-old woman walked into a San Francisco hospital complaining of acute pain in her legs. The day before, she had what she thought was a flu: fever, dizziness and abdominal pain. Within two hours of her admission to hospital, she was dead, and unrecognisable. The diagnosis: flesh-eating bacteria. Bacteria are one of the most basic life forms on earth, yet they pose a threat to mankind that not even the most sophisticated scientific techniques can contain. The book charts the competition between the drug companies to develop a new super-antibiotic, and the race to save lives and make millions. It also describes the surprising return of a technique that predates penicillin - the development of a phage or virus that kills the bacteria from within.

The Killers Among Us Apr 21 2022 This is an introduction to serial killers and killings. It includes seven case studies, a discussion of the myths surrounding serial murderers and the reasons why they continue to kill, the seven major problems of investigating a serial murder, and an analysis of the fourteen different law enforcement agencies who respond to a serial murder. Other topics covered include: -- how the media treats serial murder; an essay on victimology; -- a discussion on the concept of "the less dead" or how victims of serial killers are devalued".

Killers of a Certain Age Jan 06 2021 Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire - it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.

The Killer's Tears Nov 16 2021 On the afternoon when Angel Allegria arrives at the Poloverdos' farmhouse, he kills the farmer and his wife. But he spares their child, Paolo—a young boy who will claim this as the day on which he was born. Together the killer and the boy begin a new life on this remote and rugged stretch of land in Chile. Then Luis Secunda, a well-to-do and educated fellow from the city descends upon them. Paolo is caught in the paternal rivalry between the two men. But life resumes its course . . . until circumstances force the three to leave the farm. In doing so, Angel and Luis confront their pasts as well as their inevitable destinies—destinies that profoundly shape Paolo's own future.

Killers of the Flower Moon: Adapted for Young Readers Jun 30 2020 The New York Times bestseller and National Book Award finalist *Killers of the Flower Moon* is now adapted for young readers. This book is an essential resource

for young readers to learn about the Reign of Terror against the Osage people--one of history's most ruthless and shocking crimes. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma, thanks to the oil that was discovered beneath their land. Then, one by one, the Osage began to die under mysterious circumstances, and anyone who tried to investigate met the same end. As the death toll surpassed more than twenty-four Osage, the newly created Bureau of Investigation, which became the FBI, took up the case, one of the organization's first major homicide investigations. An undercover team, including one of the only Native American agents in the bureau, infiltrated the region, struggling to adopt the latest modern techniques of detection. Working with the Osage, they began to expose one of the most chilling conspiracies in American history. In this adaptation of the adult bestseller, David Grann revisits his gripping investigation into the shocking crimes against the Osage people. The book is a searing indictment of the callousness and prejudice toward Native Americans that allowed the murderers to occur for so long.

*Killers of the Flower Moon* Jul 24 2022 NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. • NATIONAL BOOK AWARD FINALIST In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's latest book, *The Wager*, coming soon!

**The Killer's Girl** Mar 08 2021 'Mama, wake up.' The little girl reached for her mother's face with one pudgy hand. But the eyes stayed closed, and the blood continued to trickle across the floor. When the body of a young woman is found, tied to her bed and the victim of a brutal attack in her own home, Detective Morgan Brookes is sickened by what she finds as she searches the house. And unprepared for the nightmares it inspires about her childhood. When the DNA collected gives a positive ID, Morgan can't wait to put the attacker behind bars. But the person it matches to is already in prison. How could the DNA of someone who has been locked up for over twenty years have shown up in Morgan's crime scene? And then they make another close match. To Morgan herself. Faced with the impossible proof that she is somehow connected to this case, Morgan delves deep into the crimes of a killer who stalked the Lake District two decades ago. But distracted by the old case, she misses the signs that he has found a new victim. And when he strikes close to home, Morgan finally realises that she has been living on borrowed

time. To find this killer, it's clear she must confront the nightmares in her past... A heart-racing, nerve-wracking crime thriller. Fans of Angela Marsons, Rachel Abbott and Patricia Gibney will be completely gripped. Readers love Helen Phifer: 'Brilliant... keeps you on the edge of your seat right until the last chapter... loving this series and the characters in it.' Goodreads reviewer, 5 stars 'Plenty of twists... I didn't want to put it down... suspenseful and riveting, you will want time to read it in one sitting.' Goodreads reviewer, 5 stars 'Hooked from the beginning and it kept me engaged until the very last page.' Goodreads reviewer, 5 stars 'Full of twists... full of tension... several times I caught myself holding my breath.' Goodreads reviewer, 5 stars 'Another thrilling, tightly plotted addition to this already fabulous series... I loved this book... fast-paced, realistic... plenty of action, mystery and suspects. Definitely comes highly recommended and deserves all of 5 stars.' NetGalley reviewer, 5 stars 'I thoroughly enjoyed... an engrossing tale... I don't know where the time went, one minute I started to read and a few hours later I was finishing.' Goodreads reviewer, 5 stars 'A humdinger of a crime thriller that grabs you and draws you in from the brilliantly written and powerful opening scene to the nail-biting, butt-clenching finale.' NetGalley reviewer, 5 stars

**The killers** Sep 14 2021 Hit men kill an unresisting victim, and investigator Reardon uncovers his past involvement with beautiful, deadly Kitty Collins.

**Behind the Song** Dec 05 2020 A song to match everyone's heartbeat. A soaring melody, a pulse-pounding beat, a touching lyric: Music takes a moment and makes it a memory. It's a universal language that can capture love, heartbreak, loss, soul searching, and wing spreading—all in the span of a few notes. In *Behind the Song*, fourteen acclaimed young adult authors and musicians share short stories and personal essays inspired by the songs, the albums, the musicians who move them. So cue up the playlist and crank the volume. This is an anthology you'll want to experience on repeat.

**In Cold Blood** Oct 15 2021 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

**The Killer Angels** Aug 01 2020 A novel based on the action Battle of Gettysburg.

*Vines* May 22 2022 In the Virginia countryside outside of Washington, DC, Addy Wentworth was on a mission to make a new life for herself. When the opportunity arose, she settled in horse and wine country. Experiencing more than her fair share of tragedy and loss, she had plans for her future, one where failure wasn't an option. And not just because people and cows were counting on her. She'd poured everything she had into her struggling vineyard, because once she's in, she's all in. After giving himself wholly to the job for ten years, Crew Vega was done. He'd fulfilled his commitment, done his duty, gone above and beyond to settle the score. And the score was high. All he had to do was train his replacements and he'd be out for good. He had a plan, one that didn't include getting involved with his new neighbor, a woman who not only kept cows for pets, but treasured her employees as family, and understood him better than anyone ever had before. But when he learned a high level CIA target being investigated for treason was keeping tabs on her? No, he never planned on that. And like everything Crew Vega did in life, when he goes in, he's all in. Warning: I'm a devout member of the mama club and don't want to get kicked out by angry mamas. If you aren't eighteen, turn around, go drink your milk and eat your veggies, it's good for your bones. And go to bed early, you're still growing, your body needs sleep. And don't text and drive. And be nice, sit with the kid who sits alone at lunch. And read a PG-13 book, it's good for your brain. And go tell your mama you love her. Chop-chop, run along now. I'll see you back when you're eligible to vote.

*The Killer's Wife* Jun 11 2021 Six years after her courageous testimony helped put her husband on death row for a string of gruesome murders, Leigh Wren has almost succeeded in putting her past to rest. She has moved from the West Coast to North Carolina with her young son, adopting a new name and a new life. But the world that she has created for herself is shattered when the father of one of her ex-husband's victims begins stalking her, then confronts her late one night. In the days that follow, he exposes Leigh, in newspapers and on television, to a startled North Carolina community. And just as her marriage to Randall Mosley, a man who became known to the world as a deviant serial killer, is brought back to light, a more deadly game of cat and mouse ensues. A new killer has emerged, one whose methods are frighteningly similar to those used by Mosley, who is awaiting execution thousands of miles away. Leigh and her son appear to be in the assailant's scope, and it becomes clear that he is more than a copycat killer—his targets are all tied to Leigh's former life. With the clock ticking down and the victims of a new killer mounting, Leigh is forced to probe the darkest corridors of her past to protect her life and her son's. She must also confront her own feelings of responsibility: Leigh has always professed her ignorance, but how complicit was she in her husband's horrific murder spree, as it was taking place? From a major new voice in suspense, *The Killer's Wife* is a story driven by psychological insight and harrowing revelations, asking how well you can ever really know the person sleeping beside you.

*Columbine* May 30 2020 Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the

template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book-widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings-several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

*Killer Book of Serial Killers* Dec 25 2019 The Killer Book of Serial Killers is the ultimate resource (and gift) for any true crime fan and student of the bizarre world of serial killers. Filled with stories, trivia, quizzes, quotes, photos, and odd facts about the world's most notorious murderers, this is the perfect bathroom reader for anyone fascinated with serial killers. The Killer Book series brings this format to the rabid true crime audience. Including more than 40 black & white photos, this is a must for true crime fans.

**Scars** Mar 20 2022 Being a spy isn't for the faint at heart-especially for the brute American and the beautiful, cunning Brit...Who am I? I'm Cole Carson and I'm the best at what I do. Four years ago, the CIA forced me to babysit the young MI6 princess, Isabella Donnelly. Beneath my paygrade and skillset, but I like to think I taught her everything she knows-because I'm just that good. Turns out, there's a first time for everything because I was wrong about her. She pissed me off and challenged me in ways no one had before. I not only ate my words, I choked those suckers down with a bottle of whiskey when someone ripped her away from me.Now she's back and no one can know she's here. And by no one, I mean all of the western world. I'm determined to clear her name and make her mine. It's a tall order so it's a damn good thing I'm me. A dare...Okay, fine. It wasn't a dare. More like a wager, laid at my feet by none other than Cole Carson. It's all semantics at this point-I'm stuck between the threat of prison and my asshole American, whom I just can't shake.Trust me, I've tried. I have no one to blame but my stupid, stupid heart. I'm no princess and certainly don't need a prince charming. I can kick arse all on my own-it's what I came here to do. Taking a bullet was not on my agenda ... neither was waking up in the hospital with Cole glaring at me.But I'm here and I'm nothing if not determined. But that dare...I can't focus on that until I clear my name. If Cole wants to tag along, so be it.I am a Donnelly. We don't give up nor do we bow down ... to anyone.

*Paths* Sep 26 2022 Maya Augustine needed to disappear-her life depended on it. When her path led her to the middle-of-nowhere Virginia, she found the perfect place to hide. A woman on the run, Maya had no business befriending

anyone, let alone allowing herself to become involved with a man ... especially after her last experience. Even so, she couldn't help but become obsessed with the bruised, battered, and beautiful killer who walked into her life. Grady Cain reached rock bottom. His past finally caught up with him, causing him to lose his edge at work and in life. Spiraling down a desperate path of remorse and guilt, Grady wasn't expecting his refuge to come in the form of a woman. Day in-day out, she was the only thing he'd allowed himself to think about. To focus on. To consume him. One was running. The other had nothing to run to. Until these troubled souls crossed paths... And two paths became one. Warning: This author is a mom who runs a PG-13 home. This book is not PG-13. She would literally keel over and die if anyone under the age of 18 read this book. If you're not of age, save this author from her untimely death, and go read about teenage wizards. They're awesome.

*Killer's Shadow* Jun 23 2022 The legendary FBI criminal profiler and international bestselling author of *Mindhunter* and *The Killer Across the Table* returns with this timely, relevant book that goes to the heart of extremism and domestic terrorism, examining in-depth his chilling pursuit of, and eventual prison confrontation with Joseph Paul Franklin, a White Nationalist serial killer and one of the most disturbing psychopaths he has ever encountered. Worshippers stream out of an Midwestern synagogue after sabbath services, unaware that only a hundred yards away, an expert marksman and avowed racist, antisemite and member of the Ku Klux Klan, patiently awaits, his hunting rifle at the ready. The October 8, 1977 shooting was a forerunner to the tragedies and divisiveness that plague us today. John Douglas, the FBI's pioneering, first full-time criminal profiler, hunted the shooter—a white supremacist named Joseph Paul Franklin, whose Nazi-inspired beliefs propelled a three-year reign of terror across the United States, targeting African Americans, Jews, and interracial couples. In addition, Franklin bombed the home of Jewish leader Morris Amitay, shot and paralyzed *Hustler* magazine publisher Larry Flynt, and seriously wounded civil rights leader Vernon Jordan. The fugitive supported his murderous spree robbing banks in five states, from Georgia to Ohio. Douglas and his writing partner Mark Olshaker return to this disturbing case that reached the highest levels of the Bureau, which was fearful Franklin would become a presidential assassin—and haunted him for years to come as the threat of copycat domestic terrorist killers increasingly became a reality. Detailing the dogged pursuit of Franklin that employed profiling, psychology and meticulous detective work, Douglas and Olshaker relate how the case was a make-or-break test for the still-experimental behavioral science unit and revealed a new type of, determined, mission-driven serial killer whose only motivation was hate. A riveting, cautionary tale rooted in history that continues to echo today, *The Killer's Shadow* is a terrifying and essential exploration of the criminal personality in the vile grip of extremism and what happens when rage-filled speech evolves into deadly action and hatred of the "other" is allowed full reign. *The Killer's Shadow* includes an 8-page color photo insert.

*Killing the Killers* Oct 27 2022 Instant #1 New York Times bestseller! In the eleventh book in the multimillion-selling *Killing* series, Bill O'Reilly and Martin Dugard reveal the startling, dramatic story of the global war

against terrorists. In *Killing The Killers*, #1 bestselling authors Bill O'Reilly and Martin Dugard take readers deep inside the global war on terror, which began more than twenty years ago on September 11, 2001. As the World Trade Center buildings collapsed, the Pentagon burned, and a small group of passengers fought desperately to stop a third plane from completing its deadly flight plan, America went on war footing. *Killing The Killers* narrates America's intense global war against extremists who planned and executed not only the 9/11 attacks, but hundreds of others in America and around the world, and who eventually destroyed entire nations in their relentless quest for power. *Killing The Killers* moves from Afghanistan to Iraq, Iran to Yemen, Syria, and Libya, and elsewhere, as the United States fought Al Qaeda, ISIS, and the Iranian Revolutionary Guard, as well as individually targeting the most notorious leaders of these groups. With fresh detail and deeply-sourced information, O'Reilly and Dugard create an unstoppable account of the most important war of our era. *Killing The Killers* is the most thrilling and suspenseful book in the #1 bestselling series of popular history books (over 18 million sold) in the world.

*The Killer's Game* Aug 21 2019 From Jay Bonansinga, the New York Times bestselling co-author of THE WALKING DEAD novels RISE OF THE GOVERNOR and THE ROAD TO WOODBURY. Joe Flood is a hit man, but he has his principles: he only accepts contracts on people who deserve to be killed. And Joe has always accepted his lot. Leading a double life is just one of the costs of doing business. Now his doctor has told him he has only a few months to live and Joe figures for once he'd like to call the shots himself. Literally that is: he puts out an open contract on his own life, with a six-million-dollar reward. All his finest competitors take up the challenge. But the next news he gets is bad. The lab has made an error and Joe is in perfect health. As any good hit man knows, there's no way to call off a contest like this one. In a dark comedy of deadly errors, Joe and his stalkers set out on a breakneck, kill-or-be-killed romp that bristles with suspense.

*The Postcard Killers* Jan 26 2020 Europe is stunning in the summer . . . but NYPD detective Jacob Kanon isn't there for the beauty. He's on a mission: to track down his daughter's killer. NYPD detective Jacob Kanon is on a tour of Europe's most gorgeous cities. But the sights aren't what draw him-he sees each museum, each cathedral, and each cafe through the eyes of his daughter's killer. Kanon's daughter, Kimmy, and her boyfriend were murdered while on vacation in Rome. Since then, young couples in Paris, Copenhagen, Frankfurt, and Stockholm have been found dead. Little connects the murders, other than a postcard to the local newspaper that precedes each new victim. Now Kanon teams up with the Swedish reporter, Dessie Larsson, who has just received a postcard in Stockholm-and they think they know where the next victims will be. With relentless twists and unstoppable action, *The Postcard Killers* may be James Patterson's most vivid and compelling thriller yet.

*Killer's Cousin* Jul 12 2021 After being accused and acquitted in the death of his girlfriend, seventeen-year-old David is sent to live with his aunt, uncle, and young cousin to avoid the media frenzy. But all is not well at his relatives' house. His aunt and uncle are not speaking, and twelve-year-old Lily seems intent on making David's life a torment. And then there's the issue of his older cousin Kathy's mysterious death some years back. As things grow more and more tense, David starts to wonder-is there something

else that his family is trying to hide from?

*The Last Assassin* Dec 17 2021 Many men killed Julius Caesar. Only one man was determined to kill the killers. From the spring of 44 BC through one of the most dramatic and influential periods in history, Caesar's adopted son, Octavian, the future Emperor Augustus, exacted vengeance on the assassins of the Ides of March, not only on Brutus and Cassius, immortalized by Shakespeare, but all the others too, each with his own individual story. The last assassin left alive was one of the lesser-known: Cassius Parmensis was a poet and sailor who chose every side in the dying Republic's civil wars except the winning one, a playwright whose work was said to have been stolen and published by the man sent to kill him. Parmensis was in the back row of the plotters, many of them Caesar's friends, who killed for reasons of the highest political principles and lowest personal piques. For fourteen years he was the most successful at evading his hunters but has been barely a historical foot note--until now. *The Last Assassin* dazzlingly charts an epic turn of history through the eyes of an unheralded man. It is a history of a hunt that an emperor wanted to hide, of torture and terror, politics and poetry, of ideas and their consequences, a gripping story of fear, revenge, and survival.

**Into the Nightmare** Apr 28 2020
